Exams begin Tuesday, June 13 for our Grade 12 students. **Exam week will begin for grades 7-12 students on the morning of June 22, 2023; they have regularly scheduled classes until the end of the day on Wednesday, June 21, 2023.**

Students in grades 7-12 are able to leave after their morning exams **if they have a signed permission slip submitted to the office.** **Students do not have to come on the days where they do not have an exam scheduled;** should students be here on a morning when they do not have an exam, they will be given a space to study quietly.

Students are welcome to get extra help when needed as long as they book with a teacher in advance as teachers are also supervising exams. Students who stay for the afternoon will be supervised and have ample opportunity to study.

*Please sign and submit the section below to the office.
Please note, students are not allowed to leave without signed consent.*

I acknowledge the last day of regularly scheduled classes goes to the end of day, Wednesday, June 21 for students in Grades 7-12, and that students are expected to attend classes.

I understand that my child can be at the school to prepare for their future exams and that they need to be using that time effectively so as not to disturb other students writing exams. Should I not give permission for my student to leave after their exam, I will communicate to them that the time at school is to be used to study and get extra help. Extra help needs to be booked in advance as teachers are also responsible for the supervision of exams.

I give my permission for my student(s) _____ to leave the school after they have completed their exams. **All students must sign out at the office for safety reasons.**
