PERMISSION TO LEAVE

Exam week will begin for Grade 10, 11 and 12 students on the morning of January 25th, 2024; they have regularly scheduled classes until the end of the day on Wednesday, January 24, 2024. Students in grades 10, 11 and 12 are able to leave after their morning exams **if they have a signed permission slip submitted to the office.** Students do not have to come on the days where they do not have an exam scheduled; should students be here on a morning when they do not have an exam, they will be given a space to study quietly. Students are welcome to get extra help when needed as long as they book with a teacher in advance as teachers are also supervising exams. Students who stay for the afternoon will be supervised and have ample opportunity to study.

Grade 9 students will have regular classes until the end of the day on January 24th, 2024 and can leave after their morning PAT exams on January 25th and 26th **only with a signed permission slip to be submitted to the office.** There is a chance for replacing marks in their English and Math on the **29th** and **30th** respectively.

I acknowledge that exam “week” begins on January 25th for grade 10-12 students and January 25th for grade 9 students. I am aware that my student must be in class until the end of the day prior to exams beginning. I understand that my child can be at the school to prepare for their future exams and that they need to be using that time effectively so as not to disturb other students writing exams. Should I not give permission for my student to leave after their exam, I will communicate to them that the time at school is to be used to study and get extra help. **Extra help needs to be booked in advance as teachers are also responsible for the supervision of exams.**

I give my permission for my student(s) _____ to leave the school after they have completed their exams. All students must sign out at the office for safety reasons.
